SOLUTIONS

Solutions is the theme of the 2011 6th annual Institute for the Prevention of In-Custody Deaths, Inc. (IPICD) *Arrest-Related, Excited Delirium, Sudden, In-Custody Death Conference*. Opening the 2011 Conference will be Las Vegas (NV) Metropolitan Police Department (LVMPD) **Sheriff Doug Gillespie** who is no stranger to developing innovative and practical solutions for complex issues facing both law enforcement and corrections. One such **Solution** is the LVMPD *Critical Incident Review Team* that will be presented by LVMPD **Captain Kirk Primas** and **Lieutenant James LaRochelle**.

Custodial Suicide Prevention and *Preventing Suicide by Cop* **Solutions** will be presented by attorney **Teri B. Himebaugh, J.D., L.L.M.** Other jail and correctional **Solutions** include *Don't DIE in Jail* and *Recognizing Symptoms of Custody Distress* by **Dr. Donald Leach, Ph.D.**

Risk management information one can turn into customized **Solutions** will be presented by *practicing attorneys, researchers, and physicians*. *Defending Against Agitated Chaotic Events™ in Your Jails: It Isn't Just A Street Phenomena* will be presented by **Ms. Carrie Hill, J.D.** *The Resurgence of the Carotid Control: Managing the Risks and Getting it Right* will be presented by **Ken Wallentine, J.D.** *Electronic Control Devices: Operational Management and Policy Development* will be presented by **Eric P. Daigle, Esq.** General Counsel, American Civil Liberties Union (ACLU), **Scott Greenwood, J.D.**, will be presenting on *Use-of-Force Policies & Reporting: Decreasing In-Custody Deaths*. **Dr. Deborah Mash, Ph.D.** will discuss *Brain Behavior and Excited Delirium: Considerations for Risk Management*. Don't miss the presentation by **Dr. Gary Vilke, M.D.**: *Do Electronic Control Devices Kill Humans? Review of the Data*.

Patient management and related medical issues will be presented by several practicing physicians. **Dr. Donald Dawes, M.D., FACEP, FAAEM** will present on *Arrest Physiology & Arrest-Related Death*, while **Dr. William P. Bozeman, M.D., FACEP, FAAEM**, will discuss *ECD and other Minimal Force Options: Medical Perspective and Update*. **Dr. Tom S. Neuman, M.D., FACP, FACPM** will update attendees on *Restraint Asphyxia: How much Science, How much Non-Sense?* **Dr. Steven Karch, M.D., FFFLM** will discuss *Cocaine, Excited Delirium & TASER® (Brain & Myocardial Remodeling)*, while **Dr. Michael Curtis, M.D.** will discuss *Law Enforcement and EMS: Field Management of Excited Delirium Patients with Ketamine*.

Excited Delirium Syndrome will be discussed by **Dr. Vincent Di Maio, M.D.** and **Ms. Theresa Di Maio**. Peace Officer and attorney, **Charles K. Wilhite, M.A., J.D.** will discuss *Selected Results of the 2008 IPICD Conference In-Custody Death-Issues Survey*, which will provide insights into developing customized **Solutions**. Other presenters will discuss restraint research, investigating arrest-related deaths, and offer **Solutions**.

IPICD ACE™ AWARDS

Don't miss the 1st Annual **IPICD ACE™ AWARDS** that will be presented to law enforcement and/or correctional officer(s) who successfully handled an excited delirium and/or Agitated Chaotic Event™.
